

# Susquehanna Trail Dog Training Club

January 2026

## Old Friends

by Connie Cuff

Let's begin the New Year with a positive attitude in dog training. Good trainers need a kind heart as well as a cool and well-informed head. Good training will pay a lifetime of dividends for you and your dog.

We are a partner who the dog wants to follow and work with because he knows exactly where he stands and what the relationship is, and enjoys working with you more than anything else.

As we train using treats as reinforcement, there is a difference between treats as a *lure* or a *reward*.

When you use food to guide your dog into a position, that's a lure. When you ask him to do something that he performs correctly, that is a reward. Trying to fade out the lure, make sure your dog performs correctly as you fade out the treat. You can do it without a treat for a few repetitions and then, surprise him with a treat from the opposite hand.

With any training, timing is important and the two second rule will connect the treat to the behavior.

Frequently include praise and petting as you deliver treats. You and your dog are a team, celebrating the occasion. Continue to use treats as rewards throughout your dog's lifetime. Every opportunity throughout your day should be thought of as training and a treat is a meaningful reward for a job well done.

Till next time

## Notes and Notices

As we begin a New Year, 2026, with STDTC, I look forward to another year training and visiting with our Therapy Dogs and dogs in training.

We have grown as a Club, and our visits seem to grow each month. I appreciate all those that come to class and socialize with their dogs which is so important when we do our visiting.

We congratulate the following who graduated from the **Star Puppy Class**:

**Mike and Jeannie Carroll** with Brussels Griffon, **Topher**; **Harry Holliday** with Havanese, **Baylee**; **Chime Rouse** with Golden Retriever, **Banx**; **Denyse Speer** with Icelandic Sheepdog, **Nellie**; **Lindsey Beck** with Golden/Bernese, **Violet**.

We are collecting Club dues for 2026 of \$20.00. I would appreciate hearing from everyone who wishes to continue with us by the end of February. We will need to update our membership list for 2026. If you are unable to reach out to us before then and would like to continue as a member art, please send a message through the club website.

We have sign-up sheets for those with certified dogs to do certified only visits and would appreciate people to sign up using the links or replying to the reminder emails so we know we have enough dogs to attend a visit.

We have a year end statement for the Club and you can review it when coming to class.

If at any time you have anything to add to our class, be it training , doggie tips, or just stories about your pets, please share with us.
